

IEEE PRISMTECH Hackathon Rulebook

Event Overview

Date: 26 September 2026. Duration: 24 hours. Venue: KLH Aziz Nagar Campus. Registration deadline: 21 September 2026.

Eligibility

Open to undergraduate and postgraduate students from recognized institutions. Participants must carry a valid college ID during check-in.

Team Size

Teams may include 2 to 4 members. Each participant may register with only one team.

Submission Rules

Final submissions must include a project summary, presentation, GitHub repository link, demo link, and working prototype evidence.

Judging Criteria

Innovation, technical depth, feasibility, impact, user experience, presentation quality, and responsible use of technology.

Code of Conduct

Participants must maintain professional conduct, respect mentors and organizers, and follow venue safety instructions.

Disqualification

Plagiarism, false information, misconduct, unsafe activity, or violation of challenge-specific terms may result in disqualification.

Intellectual Property

Teams retain ownership of their original work unless a specific sponsored problem includes separate license terms.
